**USES :** Offers light therapy to counter seasonal affective disorder, without harmful UV.

**FEATURES :** Mimicking sunlight, the BL40 light therapy lamp emits a full 10,000 lux at 8". Research suggests that even exposure to 2,500 lux of bright light, can make a significant difference to those who suffer from seasonal affective disorder. The Aura Daylight Therapy Lamp offers flexibility by allowing the user to easily adjust the lux output based on their preference.
